persones migrades

SISTEMA PÚBLICO
VALENCIANO DE
SERVICIOS SOCIALES

WELCOME & SUPPORT

Bringing public services closer to the migrant population to promote autonomy and social inclusion in the municipality.

Reception.

Initial assessment of the needs of people who have recently arrived in the municipality.

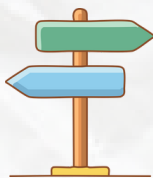

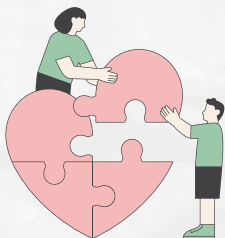

Municipal Information.

Information about local resources, training opportunities, services, public transport, associations, support from partner organizations, and more.

Referral to Municipal Resources.

Support and referral to the municipal Social Services network when specialized intervention is required.

GUIDANCE & ADVICE

Answering legal questions, providing guidance on official regulations, and supporting people with required immigration procedures.

Citizenship and Residence Permits.

Legal information and guidance on different types of residence permits, requirements, and the documentation needed for regularizing your immigration status.

Social Integration Effort Reports

Information and preparation of Social Integration Effort Reports for Social and Socio-Formation Residency Applications.

INTEGRATION ACTIVITIES

Local inclusion and community integration. We work in partnership with organizations in Elda to build a more inclusive community.

Workshops, courses and talks.

For professionals, associations, migrants, and the general public.

Spanish language courses.

Courses for migrants living in the area, with different levels available.

Welcome School.

Learn about citizens' rights and responsibilities and the principles of democratic coexistence.

Meeting space for women.

A safe and supportive space designed for women from diverse cultural and social backgrounds.
